INTRODUCTION: COMMITTEES' CONGRESSIONAL HANDBOOK

Effective March 16, 2016, the following regulations of the Committee on House Administration, collectively known as the Committees' Congressional Handbook (Handbook), govern all expenditures from Committee funds.

Committee funds are provided to pay ordinary and necessary expenses incurred by Committee Members and employees, vendors for services, and approved consultants in the United States, its territories, and possessions in support of official Committee business, in accordance with the regulations contained in this Handbook.

“Ordinary and necessary” means reasonable expenditures in support of official Committee business that are consistent with all applicable Federal laws, Rules of the House of Representatives, and regulations of the Committee on House Administration. The phrase “Committee funds” means funds made available to a Committee pursuant to primary and supplemental expense resolutions or allocated from the reserve fund.

The Handbook is compiled of regulations meant to assist Committee Chairs in determining whether expenses are reimbursable. Therefore, the Handbook contains broad descriptions of reimbursable expenses, but is not an exhaustive list of such expenses. The Handbook provides Committee Chairs with the authority and flexibility to manage the Committee's budget.

Questions about reimbursement of an expense should be directed to the Committee on House Administration at x52061 prior to incurring the expense.

For all questions relating to policies and procedures applicable to the acquisition, transfer, disposal, and maintenance of furnishings, equipment, software, and related services please, refer to the Guide to Outfitting and Maintaining an Office available from the Committee on House Administration.

Routine administrative, financial and non-legislative support services (e.g., equipment

purchases, technology standards and services, office supplies, room reservation and set-up) are acquired through the Office of the House Chief Administrative Officer (“CAO”). For further information about the CAO's services, please refer to HouseNet, the House intranet (<https://housenet.house.gov>) or the CAO's services office, First Call, at x58000.

GENERAL

When an expense is incurred the Committee Chair must determine the primary purpose for the expenditure. Is the primary purpose for the expenditure official or is it related to personal, campaign-related political party, campaign, or Member personal office activities? Only official expenses the primary purpose of which are official and which are incurred in accordance with the Handbook are reimbursable.

All expenditures from Committee funds are subject to the following general regulations:

1. Committee funds may only be used to support the conduct of official business of the Committee. Committee funds may not be used to defray any personal, campaign- related political party or campaign-related expenses, or expenses related to a Member's personal Congressional office.
2. Committee funds may not be used to pay a settlement or award in connection with conduct prohibited under the *Congressional Accountability Act of 1995*.
3. The Committee Chair is personally responsible for the payment of any official expenses incurred that exceeds the authorized Committee funds or is incurred but not reimbursable under these regulations.
4. No campaign resources may be used for official Committee business.
5. The Committee Chair and Members of the Committee may expend personal funds in support of official Committee business. However, a Committee Chair or a Member of the Committee may not expend personal funds to defray the Committee's franked mail allocation.
6. Unless specifically authorized by an applicable provision of federal law, House Rules, or

Committee Regulations, no Member of the Committee, relative of a Committee Member, or anyone with whom a Committee Member has a professional or legal relationship may directly benefit from the expenditure of Committee funds.

7. Committee funds are available for services provided and expenses incurred from January 3 of one year through January 2 of the following year. All expenses incurred will be charged to the funds available on the date the services were provided and the expenses were incurred.
8. Committee funds are not transferable between sessions.
9. Requests to obligate prior year's funds after January 2 of the succeeding year will be considered when a Committee provides to the Committee on House Administration documentation demonstrating a bona fide intent to obligate the prior year funds during the applicable year.
10. At the beginning of a Congress, each Committee is authorized a specific amount for franked mail which may not be used for other purposes. Funds provided to Committees in the primary and supplemental expense resolutions may only be transferred into a Committee's franked mail account with prior approval from the Committee on House Administration.
11. Pursuant to 18 U.S.C. § 1913, Committee funds may not be used for certain activities in the absence of authorization by Congress. Contact the Committee on House Administration at x52061 for more information.
12. Any asset purchase of \$1,000 or more and any high-risk equipment regardless of original cost must be added to the Committee's inventory.

BIENNIAL FUNDING

Pursuant to House Rules, Standing and Select Committees of the House, excluding the Appropriations Committee, are funded on a biennial basis. At the beginning of each Congress, each Committee must submit a budget request to the Committee on House Administration and introduce

a primary expense resolution providing funds for the Committee's activities for each session of that Congress.

The Committee on House Administration will provide each Committee with forms and instructions for drafting a budget request and an expense resolution.

Once an expense resolution is introduced, the Chair of the Committee requesting funds must submit one hard copy of the budget request with supporting documentation to the Committee on House Administration for consideration.

The Chair and Ranking Minority Member of each Committee will be invited to testify before the Committee on House Administration on behalf of the Committee's budget request.

House Rule X, clause 7, provides for interim funding of Committees for the period beginning on January 3 and ending at midnight on March 31 or the adoption of a Committee funding resolution, whichever is earlier, in each odd-numbered year. For each month during that period, Committees are entitled to 9 percent (or such lesser percentage as may be determined by the Committee on House Administration) of the total annualized amount made available under expense resolution for such Committees in the preceding session. These amounts, however, may vary if the House acts differently.

DISBURSEMENTS AND DISCLOSURE

Disbursements from Committee funds are made on a reimbursement or direct payment basis that requires, at a minimum, specific documentation and Committee Chair certification as to accuracy and compliance with applicable federal laws, House Rules and Committee on House Administration regulations. Please refer to Voucher Documentation Standards approved by the Committee on House Administration.

Reimbursement and payments from Committee funds may be made only to Members, employees of the Committee, consultants, detailing Government agencies, witnesses or vendors providing services to support the operation of the Committee.

The Finance Office will make available to each Committee monthly financial statements showing the

year-to-date expenditures and obligated amounts. The quarterly expenditures reflected in these statements are compiled and published as the Quarterly Statement of Disbursements, which is a public document.

MONTHLY REPORTS

Each Committee must submit to the Committee on House Administration, the later of, the 18th of each month, or five business days after the closing of the monthly financial statement for that respective month, a report signed by the Committee Chair on the activities of the Committee during the preceding month.

The monthly report must include the following:

- a. Summary of the progress of the specific investigations and studies for which funds were approved.
- b. Statement of expenses for the month and year to date. Committees must reconcile their figures with the Monthly Financial Statement prior to submitting the monthly reports.
- c. Report of travel performed using Committee funds.
- d. List of Committee employees, job titles and gross monthly salaries (a copy of the monthly Payroll Certification Form is acceptable).
- e. Certification by the Chair of the reporting Committee that the report is available to Members of the Committee for examination.
- f. A list of all Committee detailees with each detailee's effective start and end date of detail at the Committee.

The Committee on House Administration may inform Committees of additional requirements for inclusion.

Monthly reports for each Committee will be available for public inspection at the Committee on House Administration and available on the Committee's website.

RESERVE FUNDS

Pursuant to House Rule X, clause 6(a), "a primary expense resolution may include a reserve fund for unanticipated expenses of Committees. An amount from such a reserve fund may be allocated to a

Committee only by approval of the Committee on House Administration."

Contact the Committee on House Administration for information on requesting an allocation from the reserve fund.

COMMITTEE ACTIVITIES REPORT

House Rule XI, clause 1(d)(1) requires that every Committee "submit to the House not later than January 2 of each odd-numbered year a report on the activities of that Committee." Contact the Committee on House Administration for information on submitting the Committee activities report.

COMMITTEE STAFF, CONSULTANTS, AND DETAILEES

GENERAL

The Committee Chair determines the terms and conditions of employment for Committee staff. These terms and conditions must be consistent with applicable federal laws and House Rules.

1. Personnel actions affecting employment positions in the House of Representatives must be free from discrimination based on race, color, national origin, religion, sex, marital status, parental status, military status, disability or age.
2. Pursuant to House Rule XXIII, clause 8(a), a Committee may not retain an employee on the Committee's payroll who does not perform duties commensurate with the employee's compensation.
3. Annual rates of pay may not exceed the amount specified in the Speaker's Pay Order. Contact the Office of Payroll and Benefits at x51435 for information regarding the Speaker's Pay Order.
4. Total compensation in any month including any lump sum and regular pay, student loan program payments, (including cash reimbursement for accrued annual leave) may not exceed 1/12th of the maximum rate of pay specified in the Speaker's Pay Order.
5. Retroactive pay adjustments are not authorized.
6. Government contributions to retirement, life insurance, Thrift Savings Plan, transit benefits, Student Loan Repayment Program and health benefits programs are not charged to Committee funds.
7. The Speaker sets a staff ceiling for each Committee which may not be exceeded unless specifically authorized by the Speaker.
8. Each month, Committees receive a Payroll Certification Form from the Office of Payroll and Benefits that lists the annual pay and gross pay earned for each employee. At the time of the appointment or termination of a relative of a current Member of Congress or if a current employee

becomes a relative, the nature of the relationship to the Member must be noted on the Payroll Certification Form. The Chair must certify the information and return the form to the Office of Payroll and Benefits no later than the 15th day of the month. Contact the Office of Payroll and Benefits at x51435 for payroll forms.

The term "employee" means an individual appointed to a position of employment in the House of Representatives by an authorized employing authority including individuals receiving pay disbursed by the CAO and individuals in a Leave Without Pay or furlough status.

Employees are classified into one of the following two categories:

1. Employees who are Exempt from the overtime requirements of the Fair Labor Standards Act, as incorporated by the Congressional Accountability Act, are those who are not required to be paid overtime for all hours worked in excess of 40 hours in one workweek. Exempt employees are expected to work whatever hours are necessary to meet the job responsibilities and needs of the Office.
2. Employees who are Non-Exempt from the overtime requirements of the Fair Labor Standards Act, as incorporated by the Congressional Accountability Act, are those who are required to be compensated for all hours worked in excess of 40 hours per workweek.

The employee classification determination is based on the actual job duties and responsibilities of the employee. For a detailed review of overtime pay and work requirements for Non-Exempt employees, at the request of a Chairperson/Ranking Member or his/her designee, the Office of House Employment Counsel can advise an office of the Fair Labor Standards Act as it pertains to that respective office.

CONTRACTORS

Committees may contract with firms or individuals only for general, non-legislative and non-financial office services (e.g., equipment maintenance, systems integration, data entry, staff training) for a specified limited period not to exceed a Congress. Such contracts are reimbursable. Contractors are not employees of the House and are ineligible for Government- provided benefits.

Contractors do not count against a Committee's staff ceiling.

Committees are advised to consult the Committee on House Administration when entering into such contracts.

See [Consultants](#), [Educational Expenses](#), [Interpreting](#), [and Translation Services](#), [Temporary Agencies](#), and [Websites](#).

CONSULTANTS

Pursuant to 2 U.S.C. § 4301, each Committee is authorized, with the prior approval of the Committee on House Administration, to obtain temporary or intermittent services of individual consultants or organizations, to advise the Committee with respect to matters within its jurisdiction.

1. The term of the contract agreement may not exceed 12 months or the end of a Congress, whichever occurs first.
2. The consultant is to act as an independent contractor and is not an employee of the Committee. The Committee on House Administration will not approve a contract if the services to be provided by the consultant are the regular and normal duties of Committee staff.
3. Individual contract agreements may not exceed the per diem equivalent of the highest gross rate of compensation that may be paid to a regular employee of the Committee.
4. If the consultant receives federal retirement benefits during the term of the contract, the sum of all money paid to that consultant plus the federal retirement benefits for the calendar year may not exceed the Speaker's Pay Order.
5. A consultant may be reimbursed for the cost of transportation and travel-related expenses in accordance with the rates and regulations established for Members and employees of the Committee. Consultants may travel at the government rate when traveling on official Committee business.
6. Pursuant to House Rule XXIII, clause 18(b), consultants are subject to certain provisions of

the House Code of Official Conduct, including the gift rule, the prohibition against use of one's official position for private gain, and the requirement to conduct oneself at all times in a manner that reflects creditably on the House. For information relative to the House Rules, contact the Committee on Ethics at x57103.

7. Committee Chair must submit a letter requesting approval of the Committee on House Administration along with a signed contract agreement and resume of the proposed consultant, including, but not limited to, details of federal service either as an employee or pursuant to contract agreement with any Committee of the Congress.

8. The letter must specify that the proposed contract has been approved by a majority of the Members of the requesting Committee and that no services pursuant to the proposed contract will commence prior to approval of the contract by the Committee on House Administration.

The Committee on House Administration will make available for public inspection a copy of the qualifications of each consultant.

DETAILEES

Pursuant to 2 U.S.C. § 4301(f) a Committee may acquire on loan, with the prior written authorization of the Committee on House Administration, experts or other personnel from a Government department or agency.

1. The Committee Chair must submit a letter to the Committee on House Administration requesting approval of the detailing agreement. The request must include the following:
 - a. Letter from the Committee Chair to the head of the particular Government department or agency explaining the need for the detail, the estimated period of the assignment, and the terms of reimbursement, if any, of the detail.
 - b. Written response from the Government department or agency agreeing to the detail request.
 - c. Resume of the candidate for detailee position.
 - d. Detailing agreements may not exceed a 12-

month period or the end of a Congress, whichever occurs first.

1. Committees are not required to reimburse for detailees.
2. Detailees remain employees of the detailing department or agency, and are not employees of the House. Therefore, any travel by detailees will be undertaken pursuant to the authority of the detailing department or agency. Reimbursement of travel to the department or agency is subject to the detailing agreement. The number of detailees per Committee may not exceed 10% of the host Committee's permanent staff ceiling. (All decimals will be rounded down to the lowest whole number, e.g. 5.9 is rounded down to 5).
3. Personnel from the Congressional Research Service (CRS) may only be detailed to accompany an official Committee delegation in the conduct of official Committee business. CRS staff may only serve in a technical, nonpartisan capacity, and all travel costs are the responsibility of the Committee.
4. Pursuant to 31 U.S.C. § 734, the Comptroller General may assign or detail an officer or employee of the General Accounting Office to full-time continuous duty with a Committee of Congress for not more than one year.
5. Detailees may not use or obtain business cards or other materials purchased using Committee funds.

FEDERAL CIVILIAN ANNUITANTS

If a Committee employs a federal civilian annuitant, the amount of the annual annuity, when added to the annual rate of pay at which the employee is to be paid by the Committee, may not exceed the highest rate of basic pay as authorized by the Speaker's Pay Order. The total of the federal civilian annuity and the amount of the salary will be charged to the Committee.

FELLOWS

The term "fellow" means an individual performing service in a House office on a temporary basis as part of an established mid-career education program while continuing to receive the usual compensation from his or her sponsoring employer.

Committee's may accept the services of fellows in accordance with all applicable federal law.

Fellows do not count against the Committee's employee ceiling.

Fellows may not be reimbursed from House-appropriated funds. Outside of using existing office resources, if a fellow incurs an expense as a result of work performed for the Committee, the fellow may either be reimbursed by the fellow's sponsoring entity or the Chair may use personal funds as authorized under House Rules.

The use of fellows is subject to regulations established by the Committee on Ethics. Contact the Committee on Ethics at x57103 for more information.

INTERNS

Interns, paid or unpaid, must perform services for the Committee on a temporary basis as part of an educational plan. Examples of an educational plan include, but are not limited to, participation in the Intern Lecture Series, attendance at Committee hearings, or attendance at CRS internship training programs. Committee Chairs are responsible for ensuring that the activities of the Committee's interns are consistent with these requirements.

Paid interns may work for no more than 120 calendar days in a 12-month period per employing authority and are not employees for purposes of compliance with the minimum wage and overtime provisions of the Fair Labor Standards Act.

Paid interns count against a Committee's staff ceiling if appointed at an annual rate of pay equal to or exceeding the gross annual rate (\$21,600) of intern pay established by the Committee on House Administration. For the current applicable rate, contact the Committee on House Administration at x52061.

Upon a determination by the Committee on House Administration, and consistent with all existing rules, regulations, and provisions of law, paid interns are eligible to telework in the event of a disaster, pandemic, or other emergency, as part of an office's continuity of operations plan, provided the educational plan of the internship is maintained, any work performed is incidental to said plan, and participation in the plan is certified by the employing office.

All equipment issued to support telework must be returned to the employing Committee no later than thirty days from the end date of the internship and costs incurred to return such equipment are reimbursable.

Any Committee interested in employing a foreign national as an intern should contact the Office of General Counsel at x59700.

The use of unpaid interns is subject to regulations established by the Committee on Ethics. Contact the Committee on Ethics at x57103 for more information.

Paid Committee interns are eligible for the following benefits:

1. Federal Employees' Retirement System
2. Federal life insurance
3. Federal health insurance
4. Thrift Savings Plan
5. Transit Benefits

Unpaid interns are not eligible for these benefits.

PAID HOUSE COMMITTEE INTERNSHIP PROGRAM

Public Law 117-103 established an allowance separate from committee funds for compensation of interns. Interns participating in this program are subject to the same federal laws and regulations, House Rules, House regulations, and Ethics regulations as interns who may be paid by any other source of funding in the House of Representatives.

Interns compensated through the Paid House Committee Internship Program do not count against a Committee's authorized staff ceiling.

The gross annual rate of intern pay is established by the Committee on House Administration. For the current applicable rate, contact the Committee on House Administration at x52601.

Interns employed by a Committee through the Paid House Committee Internship Program are eligible for reimbursement of official expenses incurred as part of their official duties.

Unlike interns paid with Committee funds, interns compensated through the Paid House Internship Program are ineligible for the following benefits:

1. Federal Employees' Retirement System
2. Federal life insurance
3. Federal health insurance
4. Thrift Savings Plan
5. Student Loan Repayment Program

The Chairperson (or Ranking Member, in the case of interns employed by the Committee's Minority) determines the terms and conditions of employment for an intern participating in this program, including provisions for leave (e.g., Annual, Administrative, and Sick).

REPLACEMENT EMPLOYEES

A Committee may hire a replacement for an employee on leave as may be made necessary by applicable law (e.g., Family Medical Leave Act, military service, jury duty, response to court order). The employee on leave continues to count against the Committee's staff ceiling. The replacement employee does not count against the Committee's staff ceiling.

The Committee Chair must certify in a letter accompanying the Payroll Authorization Form for the replacement employee the following:

- a. Name and job title of permanent employee.
- b. Permanent employee leave status (e.g., FMLA, military service, jury duty).
- c. Permanent employee leave period.
- d. Statement that the replacement employee will perform job duties of the employee on leave.

SHARED EMPLOYEES

The term "shared employee" means an employee who is paid by more than one employing authority of the House of Representatives.

1. Two or more employing authorities of the House may employ an individual.
2. Subject to telecommuting policies, such shared employees must work out of the office of an employing authority, but are not required to work in the office of each employing authority.

The pay from each employing authority shall reflect the duties actually performed for each employing authority. The name, title, and pay of such an individual will appear on each employing authority's Payroll Certification. Such employees may not receive pay totaling more than the highest rate of basic pay in the Speaker's Pay Order applicable to the positions they occupy.

3. Employees may not be shared between a Member or Committee office and the office of an Officer of the House if the employee, in the course of duties for an Officer, has access to the financial information, payroll information, equipment account information, or information systems of Member, Committee, or Leadership offices.
4. Each House employee who, during any pay period, is simultaneously employed by three or more House employing authorities is required to inform each employing authority in writing of the employee's employment status and any change in employment status with other employing authorities.
5. Each House employee who, during any pay period, is simultaneously employed by three or more House employing authorities is required to file with the Office of Finance a signed Acknowledgment of Receipt and Understanding of Shared Employee Manual and Certification of Continued Compliance upon becoming simultaneously employed by three or more employing authorities.
6. Pursuant to 5 U.S.C. app. § 101 et seq., each House employee who is simultaneously employed by three or more House employing authorities for more than 60 days during a calendar year must file a Financial Disclosure Statement by May 15 of each year. If an employee does not trigger the reporting requirements of the Ethics in Government Act by their salary amount, the employee need not file periodic transaction reports.
7. Any House employee engaged in any outside employment or business activity may not directly, or indirectly through such outside employment or business activity, sell, lease, or otherwise provide any goods or assets to any House office or entity.

See [General](#) and [Dual Compensation](#).

TEMPORARY AGENCIES

Ordinary and necessary expenses related to services provided by an individual employed by a temporary agency are reimbursable, if the following conditions are met:

1. Payment for such services is commensurate with the official duties performed by the individual.
2. Such an individual remains an employee of the agency and is not eligible for pay, benefits, rights, or privileges available to House employees.

Such individuals count against the Committee's staff ceiling, unless the purpose of the individual is to serve as a replacement employee.

See [Replacement Employees](#).

VOLUNTEERS

The term "volunteer" means an individual performing service in a House office without compensation from any source.

The voluntary service should be of significant educational benefit to the participant and such voluntary assistance should not supplant the normal and regular duties of paid employees.

Volunteers should be required to agree, in advance and in writing, to serve without compensation. (31 USC § 1342 & Comp. Gen. Op. B69907)

Volunteers do not count against the Committee's employee ceiling.

The use of volunteers is subject to regulations established by the Committee on Ethics. Contact the Committee on Ethics at x57103 for more information.

PAYROLL

General

1. Committees are responsible for adhering to the minimum wage provisions of the Fair Labor Standards Act. For the current applicable rate, contact the Office of Payroll and Benefits at x51435.
 - Interns are not employees for the purpose of compliance with minimum wage and overtime provisions of the Fair Labor Standards Act.

2. The maximum gross annual rates of pay for employees in a Committee office are established by the Speaker's Pay Order. For the current applicable dual compensation rate, contact the Office of Payroll and Benefits at x51435.
3. The monthly payroll is based on a 30- day period. Payment is made on the last business day of the month.
4. Each month, Committees will receive a Payroll Certification Form from Human Resources that lists the annual salary and gross pay earned for each Committee employee. The Committee Chair must certify the information and return the form to the Office of Payroll and Benefits no later than the 15th day of the month. If an employee is a relative of a current Member of Congress, the nature of the relationship must be noted on the Payroll Certification Form.

Appointment

The official appointment of each employee requires the Chairman's signature on the Payroll Authorization Form (PAF). When hiring new staff to the U.S. House of Representatives, all personnel appointment Payroll Authorization Forms (PAFs), along with the completed appointment package, must be submitted to the Office of Payroll and Benefits no less than two business days prior to the effective date of hire. Completed appointment packages include the Appointment PAF, employment eligibility documents (U.S. Citizen and Non-U.S. Citizen Requirements), Form I-9, Direct Deposit, W4, TSP-1 enrollment form, and Oath of Office.

Subsequent payroll transactions (changing from one Committee to another, pay adjustments, title changes, furlough status, terminations, etc.) must also be made on the appropriate PAF or payroll form with the Chairman's signature. PAFs and payroll forms are due to the Office of Payroll and Benefits by the 15th day of the month in which the adjustment is effective to be included in the monthly regular payroll cycle, which is paid on the last business day of the month. PAFs and forms not submitted by the 15th of the month must be received by the Office of Payroll and Benefits no later than the last business day of the month in which the payroll transaction is effective. These transactions submitted after the 15th will be processed in the off-cycle payroll.

Dual Compensation

The aggregate gross annual salary of an employee receiving payment from the House who is also receiving payment from the U.S. Senate, Architect of the Capitol, or any other department or agency of the U.S. Government, may not exceed the gross annual rate established by 5 U.S.C. § 5533. For the current applicable dual compensation rate, contact the Office of Payroll and Benefits at x51435.

Lump Sum Payments

Pursuant to 2 U.S.C. §4537, a Committee Chair may authorize lump sum payments to employees of the Committee.

1. Payments must be consistent with House Rule XXIII, clause 8(a), which requires that employees perform official duties commensurate with the compensation received. Employees may not be compensated from public funds to perform non-official, personal, campaign-related political party or campaign activities on behalf of the Member, the employee or anyone else.
2. Lump sum payments may not exceed the monthly pay of the employee receiving the lump sum payment.
3. Lump sum payments may be for services performed during more than one month.
4. Total compensation in any one month, including lump sum payments, regular pay, and student loan program payments may not exceed 1/12th of the maximum rate of pay specified in the Speaker's Pay Order.
5. Committee Chairs may provide lump sum payments for accrued annual leave only if such leave was accrued in accordance with written personnel policies established prior to the accrual of such leave.
6. Lump sum payments are considered as part of "rate of pay" under the Speaker's Pay Order.
7. Lump sum payments are considered "supplemental wages" for taxation.
8. Lump sum payments are not considered as part of "basic pay" for calculating Thrift Savings Plan, life insurance, and federal pensions.
9. Contact the Committee on Ethics x57103 for information on the treatment of lump sum

payments with regard to financial disclosure, post-employment restrictions, and outside earned income limitations.

10. Lump Sum Payments will be disclosed separately in the Quarterly Statement of Disbursements.

Outside Earned Income

Members and employees receiving basic pay at a rate equal to or greater than 120 percent of the minimum basic pay for GS-15 for at least 90 days in a calendar year are subject to the outside earned income limitation established by 5 U.S.C. app 4 § 501 (a)(1) and House Rule 25, cl. 1 (a)(1).

For the current applicable rate of basic pay, the amount of the limit and application of the House Rule, contact the Committee on Ethics at x57103.

Overtime Wage Rate Compensation

NEPOTISM

A public official may not appoint, employ, promote, advance or advocate for appointment, employment, promotion, or advancement in or to a position in the office in which that public official is serving or over which that public official exercises jurisdiction or control any individual who is a relative of that public official. Pursuant to 5 U.S.C. § 3110, the term “public official” includes a Member, an employee, and any other individual who has authority, or to whom the authority has been delegated, to appoint, employ, promote, or advance individuals, or to recommend individuals for appointment, employment, promotion, or advancement in connection with employment in an office.

Every employee must certify a relationship to any Member of Congress on a certificate of relationship form available from the Office of Payroll and Benefits. If, at any time, the relationship of an employee to any current Member of Congress changes the employee must file an amended certificate of relationship form with the employing office. Contact the Office of Payroll and Benefits at x51435 for such forms.

Individuals with the following relationship to the Member may not be employed by the Chair or Ranking minority Member of a Committee:

- Aunt;
- Brother;
- Brother-in-law;
- Daughter;
- Daughter-in-law;
- Father;
- Father-in-law;
- First cousin;
- Granddaughter;
- Grandson;
- Half-brother;

- Son;
- Son-in-law;
- Stepbrother;
- Stepdaughter;
- Stepfather;
- Stepmother;
- Stepsister;

If a House employee becomes related to the Chair or Ranking minority Member of a Committee or any of its Subcommittees (by marriage), the employee may remain on the Member's personal or Committee payroll. Similarly, if a Chair or Ranking minority Member of a Committee or any of its Subcommittees becomes the employing authority of a relative who was hired by someone else (e.g., the Member ascends to the Chairmanship of a Committee or Subcommittee for which the relative is already working), the relative may remain on the payroll. However, the Chair or Ranking minority Member of a Committee or any of its Subcommittees may not then give that individual further promotions or raises, other than cost-of-living or other across-the-board adjustments.

The anti-nepotism statute does not prohibit a Chair or Ranking minority Member of a Committee or any of its Subcommittees from employing two individuals who are related to each other but not to the Chair or Ranking minority Member. Contact the Committee on Ethics at x57103 for further information.

Insurance for Rental Space

Committees may be asked to provide a certificate of insurance for the purpose of entering into a lease for securing space for a field hearing or other official events. The House does not carry a private insurance policy and generally does not permit the use of Committee funds to pay for a private insurance policy.

Under the provisions of the Federal Tort Claims Act, codified at 28 U.S.C. §§ 2671-2680, the United States acts as a self-insurer and recognizes its liability for the negligent and wrongful acts or omissions of its employees acting within the scope of their official duties. The United States is liable to the same extent an individual would be in like circumstances.

Although the Federal Tort Claims Act is not the equivalent of private liability insurance, it does provide an aggrieved party with administrative recourse, and if that proves unsatisfactory, it provides legal recourse for the damage or injury sustained. Thus, to the extent negligent acts of Congressional employees, while conducting official duties, result in either property damage or bodily

injury, such damage or injury should be compensable under the Act in a manner which affords protection similar to private liability insurance.

However, if the provisions of the Federal Tort Claims Act are not considered adequate, the ordinary and necessary expenses for liability insurance to cover these risks are reimbursable.

When a compensable event occurs, the deductible portion of a policy may be paid from Committee funds.

Security and other deposits are not reimbursable and must be paid from the Member's personal funds. Each Member should notify vendors that any return of deposits should be made to the Member.

Expenses for the purchase of fire and theft insurance are not reimbursable.

For advice and guidance regarding the Federal Tort Claims Act, contact the Office of the General Counsel at x59700.

Interpreting and Translating Services

Ordinary and necessary expenses related to interpreting and translating services, including accommodations are reimbursable. For events held in House Office Buildings, contact the Office of Congressional Accessibility Services at x44048.

- Depositions and/or interviews that are part of a Committee investigation.
- House/Senate joint committee meetings or conference meetings held on the House side of the Capitol or in the House office buildings.

These transcription services are provided at no cost to Committees. When in-house reporters are not available, the Office of Official Reporters will arrange for an outside contracted vendor.

There is no cost to Committees.

For field hearings, the Office of Official Reporters will either send an Official Reporter or arrange for a reporter from a commercial firm with availability at the location of the field hearing. There is no cost to Committees. If an Official Reporter is assigned to cover a field hearing, travel expenses of the Official Reporter will be paid for by the Office of the Clerk.

The Committee Chair may authorize the use of an outside reporter, at direct cost to the Committee, for meetings other than those that the Official Reporters are required to cover.

These include open Committee briefings, town hall meetings, and unofficial hearings not called by the Chair. All expenses related to these services must be paid from Committee funds.

Contact the Office of Official Reporters at x52627 for information on how to request a reporter.

Witnesses

The reimbursement of travel expenses incurred by a witness is an extraordinary measure.

Reimbursement will be made only when authorized by the Committee Chair. Reimbursement will be made only to an individual called to appear as a witness before a duly constituted meeting or hearing under House Rules or a duly constituted staff deposition.

Witnesses may travel at the government rate when the Committee is reimbursing for travel expenses.

If a witness is a minor or requires medical assistance, reimbursement may be made to the parent or guardian of the minor or nurse or aide accompanying the witness.

If a witness resides outside the United States, its territories and possessions, reimbursement may be made to the witness for transportation expenses to and from the United States.

5. Official travel cannot originate from or terminate at a campaign-related political party or campaign event. Official travel may not be combined with or related to travel or travel related expenses paid for with campaign funds.

9. Official travel may not exceed 60 consecutive days.
10. Only ordinary and necessary charges associated with failure to cancel reservations incurred beyond the control of the Members and employees of the Committee are reimbursable.
11. The cost of alcoholic beverages is not reimbursable.
12. The Committee on House Administration encourages Committees to establish a limit on reimbursement of travel related expenses and suggests the use of the locality based per diem rates as a guideline. The locality based per diem rates are located on the General Services Administration Web page at <http://www.gsa.gov/search.html>.
13. Pursuant to House Rule XXIV, clause 10, no Member of the Committee may be reimbursed for transportation or travel-related expenses after the date of the general election in which the Member has not been elected to the succeeding Congress, or in the case of a Member who is not a candidate in such general election, the earlier of the date of such general election or after the adjournment sine die of the last regular session of the Congress.

Combined Travel

Combined travel is travel by a Member or employees of the Committee for the primary purpose of supporting official Committee business, but includes an intervening destination or an additional time period that is included for personal purposes.

Combined travel requires that:

- The primary purpose of the travel must be official and representational. The personal segment of the combined travel may not be purchased at a government rate or be purchased with a Government Travel Card.
- The traveler must attach the combined travel form to the voucher submitted for combined travel reimbursement, stating that the official travel and personal travel was combined for personal convenience. (Combined Travel form).
- All travel must occur within the United States, its territories, or possessions.

Reimbursement Options for Combined Travel:

Option #1 - The traveler purchases both segments of the trip with personal funds at the commercial rate.

The traveler may then seek reimbursement for the government rate of the direct route and means to the destination required for official and representational business, or the actual traveled fare; whichever is less.

Option #2 - The traveler purchases the initial “personal” segment of the trip with personal funds at the commercial rate (no reimbursement is sought for this segment). The next “official” segment to either D.C. or the district may be purchased at either commercial or government fare.

The traveler may then seek reimbursement for the fare of the official segment, so long as the rate does not exceed the government rate between the district and D.C., or the actual traveled fare, whichever is less.

In the event of a segment of personal travel, there is an absolute prohibition on reimbursement from official funds for the personal travel segment.

Unexpected Official Travel

Travel expenses are reimbursable in the event that

unexpected official business requires Members or employees of the Committee to travel to Washington, D.C. or location of official Committee business from a location within the United States, its territories and possessions.

Travel to and from campaign or other political activity is not reimbursable. Travel may be booked at the government rate.

Committee funds may be used to return Committee Members and employees to a location for personal business after fulfilling their official duties.

Methods of Travel

Subject to these travel regulations, all official travel by way of common carrier, chartered, leased, or privately-owned vehicle (airplane, automobile, etc.) is reimbursable.

Chartered Aircraft

Ordinary and necessary expenses related to chartering an aircraft are reimbursable when passengers are restricted to Members, their immediate family (spouse, child, parent) and employees of the committee, the names of whom must be stated on the voucher.

The full cost of the chartered aircraft must be paid for by Committee funds. If an immediate family member is a passenger, the Member must submit a check to the Finance Office payable to the US Treasury equivalent to the cost of a comparable commercial first class fare with an explanatory letter.

Corporate or Private Aircraft

Members and employees of the committee who travel via corporate, business or privately owned aircraft in support of the conduct of official Committee business must reimburse the entity providing the flight for the fair market value of the flight.

To determine the fair market value of such a flight, apply the following:

- a. When the travel is via a previously or regularly scheduled flight by the corporation for its business, or individual, the entity must be reimbursed based on the cost of a commercial first class flight to the nearest location served by a commercial passenger airline. If only standard (coach) rates are available at the nearest location, the committee must reimburse the

entity for the standard (coach) rate.

- b. When the flight is scheduled specifically for Committee use, payment will be made based on the cost of an equivalent commercial chartered flight to that location. Prior to scheduling travel provided by any corporation, business, or individual, the committee must verify that the person has the authority under its FAA certification to accept payment for travel as set forth above. Contact the Committee on Ethics, at x57103 for guidance.

The Department of Defense will support approved travel of Members and employees of the Congress upon request of the Congress, pursuant to law or where necessary to carry out the duties and responsibilities of the Department of Defense.

Officially Leased Vehicles

Ordinary and necessary expenses related to the short-term lease of a vehicle in support of the conduct of official business are reimbursable.

 - a. During the course of and generally along the route of the day's official itinerary.
 - b. Incidental to the day's official Committee business.
 - c. De minimis in nature, frequency, and time consumed.
 - d. Does not otherwise constitute a significant activity or event.
 - e. Not for any campaign/campaign-related political party purpose.
2. The Committee recommends that cars be rented at the government rate with unlimited mileage and full and comprehensive collision damage waiver (CDW) coverage. Not all rental car franchises include CDW coverage with the government rate. To ensure CDW coverage,

offices should make their rental car reservations through the Combined Airline Ticket Office (CATO).

3. If the government rate is unavailable or the government rate does not include CDW coverage, the cost for CDW coverage is reimbursable.
4. Personal accident insurance, personal effects coverage, and equivalent insurance policies are not reimbursable.
5. Security deposits, advance payments, termination fees, traffic violations, etc., are not reimbursable. If an employee on official business is involved in an accident with a rental car, notify the Office of General Counsel at x59700.

Privately-Owned / Privately-Leased Vehicles

The costs of transportation by Member or employee via a privately owned or privately leased vehicle while on official and representational business are reimbursable on a rate per mile basis based on the rates established by the Government Services Administration. The Committee on House Administration shall set maximum mileage reimbursement rates yearly and appropriately notify offices.

For the current applicable rates, contact the Committee on House Administration at x52061 or visit (<http://www.gsa.gov/portal/content/100715>).

See [*Corporate or Private Aircraft*](#).

Official Travel Expenses

Official travel expenses including transportation, lodging, meals (excluding alcohol), fees (e.g., parking, tolls, ticket change fees, etc.), and other ordinary and necessary incidental expenses while on official travel status are reimbursable.

The Committee on House Administration strongly recommends that Committees submit their vouchers for travel reimbursement at least fifteen days before

the payment due date to assist the Finance Office in providing timely reimbursements and prevent Committee Members and employees from incurring late fees or delinquency problems.

The Government Travel Card may be used by the cardholder only. The cardholder may use the card to purchase travel-related services (e.g., airline tickets, hotel expenses, etc.) for other authorized travelers.

Please refer to the Voucher Documentation Standards approved by the Committee on House Administration and available on HouseNet.

Shared Official Travel Expenses

Official travel expenses may be shared by more than one Committee office or with a Member office. The division of costs must accurately reflect the expenses incurred by each office.

Travel Promotional Awards

Free travel, mileage, discounts, upgrades, coupons, etc. accrued by Members or employees as a result of official travel awarded at the sole discretion of the company as a promotional award, may be used at the discretion of the Members and employees of the Committee. The Committee on House Administration encourages the official use of these travel awards whenever practicable.
